## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's amendment was received on 4/20/09 and has been entered and made of record. Examiner recognizes that independent claim 1 has been rewritten to incorporate limitations from dependents claims 2 and 3 due to the BPAI decision to reverse the rejection of claim 3.

### ***Allowable Subject Matter***

2. Claim 3 is allowed.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach, or suggest the claimed limitations of (in combination with all other limitations in the claims), a read-out position changing section which functions, when the pre-processing section has executed the cancel command, such that the position in the receiving buffer for the executing section to read the received data is jumped to the position next to the cancel command, as set forth in claim 3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2625

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
